Grady Table
GR500-PN

Stunningly handsome, Grady is an irresistible must have occasional table. In our NYC studio, we hand shape each selenite rock crystal top while leaving as much of the natural form as possible. We designed this chic metal oval base made of steel or brass to compliment the uniqueness of each stone. Cocktail table size available upon request..

Stone:

Selenite Rock Crystal (500)

Finish:

Antique Brass (AB)
Polished Nickel (PN)

Dimensions:

Height: 21"
Width: 22"-24"
Depth: 16"-18"

* Natural materials are unique and each stone is hand selected. They vary slightly in size, color and slight grazed service is normal.
