## Quinn Agate Table QN105-AB

We have a crush on Quinn! Inspired from a favorite vintage necklace, this sophisticated table is hand-forged of brass and natural agate. Agate is a healing stone, best known for its beautiful striations and rich color. To emphasize its natural beauty we set each stone, exposing the raw natural edge. Each piece is stunningly unique and made to order.

**Finish:**

Antique Brass (AB)

Polished Nickel (PN)

\* Natural materials are unique and each stone is hand selected. They vary slightly in size, color and texture.
