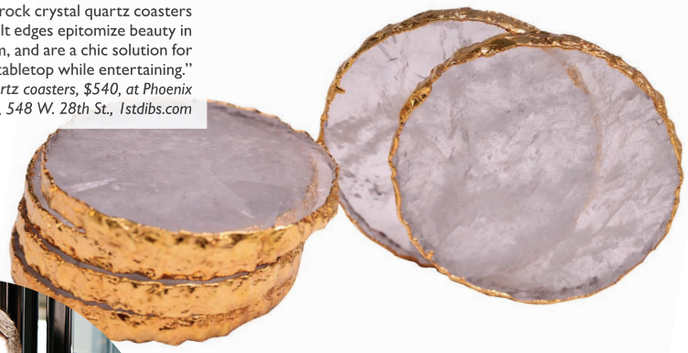
MARCH 2017 $5.95

"These clear rock crystal quartz coasters with gorgeous gilt edges epitomize beauty in function and form, and are a chic solution for protecting your tabletop while entertaining." *Group of six quartz coasters, $540, at Phoenix Gallery, 548 W. 28th St., 1stdibs.com*



"This rock crystal box strikes a beautiful balance between masculine and feminine. It's a gorgeous object to hold a special treasure." *$4,700, at Phoenix Gallery, 1stdibs.com*

SET *in* STONE

Interior designer **Caleb Anderson**, co-founder of firm Drake/Anderson with Jamie Drake (which was recently named to the AD100), is known for his fresh approach to traditionalism. Here, he quarries into spring home trends and emerges with diamonds in the rough.

By Zachary Wilson

"Bold stripes of silver-gilded and black handpainted rock crystal make this graphic cabinet a treasure in any room." *Stripe cabinet, $125,000, by Mattia Bonetti at David Gill Gallery, davidgillgallery.com*

"The luxurious materiality of this bedside table elevates its simplistic and contemporary lines with the combination of rock crystal, metal details and Lucite legs." *Imogene table, price upon request, at Matthew Studios, matthewstudiosny.com*

"The organic shape and rich nature of these unique coffee tables would make a striking addition to a living room." *Pair of rock crystal coffee tables, price upon request, 1stdibs.com*

"These hexagonal-shaped rock crystal pulls are the perfect jewelry for a dresser. I'd place them on a lacquered drawer front as an elegant and functional adornment." *Freya rock crystal pulls, price upon request, at Matthew Studios matthewstudiosny.com*
