MATTHEW STUDIOS

PÉPITE KNOB (PEK)

We are loving our little Pépite, or “Nugget”.

Inspired from Parisian fashion house collection jewelry from the 1970s, our Pépite is cast in solid brass with chic modern geometric facets for a touch of glamour.

Use in one orientation, or multiple for a more organic feel.

OVERALL DIMENSIONS

Height: 1”
Width: 1.25”
Depth: 1.4”
